Agreed that it might make more sense to wait and do a ribboncutting.

Thanks, Ferris. I am including Councilmember O'Farrell's executive assistant, Dave Cano, so he can be kept in the loop.

Are you looking to do an event ON June 1st for the groundbreaking? It may make more sense to wait until the project is completed and do a ribbon-cutting.

Wednesday June 1st is LA River Day celebration in Council so it's a busy day for us.
